

Hello VPC family,

Because of this unprecedented threat from the Corona Virus, now in Western PA, your Session has decided to cancel worship services beginning tomorrow, March 15th.

I am attempting to record and upload my sermon to our church FaceBook page.

Session will be meeting on Tuesday evening to decide future worship and ministry events to be cancelled.

Although some view this as a time of high anxiety, there is no better time to 'be the church.' It will involve creativity and thoughtful engagement among your church leaders to reach out to all our church members and our surrounding community in a way that is wise, bold and cautious. God has appointed us as His people and leaders for such a time as this.

This communication takes everything a step further than just a few days ago. We all are being asked to act with wisdom and boldness and courage; without fear and confident in the God who gives us abundant life.

If you have any questions about our services or ministries going forward, please call the church office.

Yours in Christ,
Pastor Jim Kirk
