Good Afternoon VPC Family!

The VPC Session met on Monday, April 27<sup>th</sup> and the decision was made to continue the suspension of all in-person worship services and events held at the church through Sunday, June 7<sup>th</sup> and until further notice. They will meet again on May 19<sup>th</sup> to re-evaluate and make further decisions on future events as well as when and how to proceed when the stay-at-home order is lifted.

We miss all of you and pray that you are all doing well. Please do not hesitate to contact Pastor Jim, the church office or any board member if you are in need of anything.

Stay safe and may God bless!
