

## **Week 4: Life through the Spirit (Romans 8)**

**Essential Question:** What does it look like to live a life "controlled by the Spirit" rather than by the "flesh"?

- **Follow-up Questions:**

1. Why is "no condemnation" (v. 1) the essential starting point for spiritual growth?
2. What does it mean to be "heirs of God and co-heirs with Christ"?
3. How does the Spirit help us when we don't know how to pray?
4. How do "present sufferings" compare to the "glory that will be revealed"?
5. What does it mean that God works "all things together for good" for those who love Him?
6. How does the promise in verses 31–39 provide security in a world of fear?
7. If God is "for us," how should that change our response to those who are "against us"?
